

Invitation
Capacity building training courses on financing & business models
30.05.2017 (Tuesday), 09:00, ZELS

Dear Sir/Madam,

We are inviting you to the capacity building training courses on financing and business models that will be held on **30.05.2017 (Tuesday)** in the **Association of Units of Local Self-governments (ZELS)**. The event, organized as part of the activities in the Horizon 2020 project CoolHeating, aims to deal with questions that are of interest to local actors and financing bodies. The presentations are related to topics such as financing, business models, contracts and technologies in small modular renewable district heating and cooling grids.
